

QDP- Explanation of Benefits

Quality Dental Plan

INCLUDED BENEFITS

QDP is an annual reduced-fee savings plan for families and individuals that allows all QDP Members to receive quality dental services at greatly reduced prices. Unlike conventional insurance plans, with QDP there are **no deductibles, no yearly maximums, and no waiting periods to begin treatment**. QDP benefits coverage begins immediately on plan registration.

Benefits include:

- Free basic teeth cleanings (up to two per year)
- Free annual exam
- Free x-rays necessary for annual exam
- Free teeth whitening or annual fluoride
- A 20% savings on all dental procedures
- \$35 copay for emergency exams during office hours (regularly \$80.00)

A QDP Membership is **\$349** for an initial plan member... and only **\$299** for each additional family member; which represents an additional savings of **\$50.00** per member.

Eligible family members include spouse and dependent children under the age of 19 (up to age 23 if dependent child is a full-time student). All QDP Membership fees are due and payable at the time of registration and are non-refundable. Plan duration is for one year from registration date. All patient portions for services received are due at time of services in order to receive benefits. All members of a QDP family account will have the same anniversary date as the primary member. Interest-free payment plans of 3, 6 and 12 months duration are available on request with approved credit. Repayment duration is based on service totals. When a payment plan is used, your QDP Member Savings will be 10% upfront and you use the remaining 10% to receive interest free payment options. A missed appointment fee of 25% of treatment total will be charged for all missed dental appointments.

Please notify our office at least 48 hours in advance if you must change a scheduled appointment.
